

David M. Amodio
Curriculum Vitae

Department of Psychology
 University of Amsterdam
 Nieuwe Achtergracht 129, REC G
 1001 NK Amsterdam, NL

Email: d.m.amodio@uva.nl
 Lab website: amodiolab.org
 ORCID: 0000-0001-7746-0150

Academic Appointments

2017, 2022- Professor of Social Psychology, University of Amsterdam
 2019-2022 Professor of Psychology and Neural Science, New York University
 2011-2019 Associate Professor of Psychology and Neural Science, New York University
 2010-2011 Assistant Professor, Center for Neural Science, New York University
 2005-2011 Assistant Professor, Department of Psychology, New York University

Major Research Interests

Psychological and neural mechanisms of prejudice, social cognition, and self-regulation; learning & memory basis of attitudes and social cognition; computational approaches to social learning and decision making; human sources of social bias in artificial intelligence.

Education and Training

2003-2005 Postdoctoral Fellow, University of California, Los Angeles
 Training Program in Health Psychology, *National Institute of Mental Health*
 Sponsors: Dr. Shelley E. Taylor and Dr. Matthew D. Lieberman

2003 Ph.D., Social Psychology, University of Wisconsin – Madison
 Neural signals for the detection of race bias: Implications for regulatory ability
 Advisors: Dr. Patricia G. Devine and Dr. Eddie Harmon-Jones

1998-2000 Predoctoral Fellow, University of Wisconsin – Madison
 Training Program in Emotion, *National Institute of Mental Health*
 Directors: Dr. Richard Davidson and Dr. H. Hill Goldsmith

1996 B.A., Psychology, Music, Macalester College, St. Paul, MN

Awards, Fellowships, and Honors (Selected)

2024 Career Trajectory Award, *Society of Experimental Social Psychology*
 2018 Vici Award, Netherlands Organisation for Scientific Research (NWO)
 2018 Gordon Allport Intergroup Relations Prize, *SPSSI*
 2014 Fellow, *Society for Personality and Social Psychology*
 2012 F. J. McGuigan Young Investigator Prize, *American Psychological Association*
 2012 Fellow, *Association for Psychological Science*

- 2010 Presidential Early Career Award for Scientists and Engineers (PECASE), *Office of Science and Technology Policy, The White House*
- 2010 Janet T. Spence Award for Transformative Early Career Contributions, *Association for Psychological Science*
- 2010 Early Career Award for Social Cognition, *International Social Cognition Network*
- 2009 Faculty Early Career Development Award (CAREER), *National Science Foundation*
- 2009 SAGE Young Scholars Award, *Society for Personality and Social Psychology*
- 2008 Fellow, *Society for Experimental Social Psychology*
- 2006 Gordon Allport Intergroup Relations Prize, Honorable mention, *SPSSI*
- 2004 Dissertation Award, *Society for the Psychological Study of Social Issues*
- 2003 Tursky Award, *Society for Psychophysiological Research*
- 2003-2005 NIMH Postdoctoral Fellowship, Training Program in Health Psychology, UCLA
- 2002 Dissertation Research Award, *American Psychological Association*
- 2000 Leonard Berkowitz Dissertation Research Award
- 1998-2000 NIMH Predoctoral Fellowship, Training Program in Emotion Research, UW-Madison

Funding

- 2018-2025 Vici Award (016.185.058), Netherlands Organisation for Scientific Research (NWO), *How do prejudices become implicit? A social cognitive neuroscience account* (PI: Amodio, €1,500,000)
- 2016-2019 National Science Foundation, *Race and recession: Psychological mechanisms through which economic scarcity propels prejudice* (PI: Amodio, \$425,000)
- 2016-2021 Carlsberg Foundation, *What Social Robots Can and Should Do—Towards Integrative Social Robotics* (Co-I: Amodio, PI: Johanna Seibt; \$2,250,000)
- 2012-2014 F. J. McGuigan Grant, American Psychological Foundation (PI: Amodio, \$25,000)
- 2013-2014 Research Investment Fund, NYU, *Eye-tracking and psychophysiological measurement in social neuroscience*. (co-PIs: Jay Van Bavel, Eric Knowles; \$41,000).
- 2009-2015 National Science Foundation, *CAREER: Testing a Memory-Systems Model of the Expression and Reduction of Racial Prejudice: A Plan for Research and Training in Social Cognitive Neuroscience* (PI: Amodio; \$833,965)
- 2007-2008 University Research Challenge Fund, NYU: *From race discrimination to health disparities: Testing a psychoneuroendocrine pathway* (PI: Amodio; \$9,250)

Chaired Conferences

Social and Affective Neuroscience Society Annual Meeting (October 9-11, 2009), New York, NY.
 Conference organizer and program chair.

Social and Affective Neuroscience Society Annual Meeting (April 20-21, 2012), New York, NY. Co-organizer, with Kevin Ochsner.

Chaired Symposia (selected)

Getting to know you (again) Learning processes in impression formation and updating. (Oct 2023).
 Symposium at the annual meeting of the *Society for Experimental Social Psychology*, Madison, WI.

The Social Psychology of Algorithmic Bias (Oct 2021). Symposium at the annual meeting of the *Society for Experimental Social Psychology*, Santa Barbara, CA.

Beyond mere associations: Computational and learning approaches to implicit evaluation (Feb 2020).
 Symposium presented at the annual meeting of the *Society for Personality and Social Psychology*, New Orleans, LA (co-chaired with Benedek Kurdi).

Beyond dual-process: New multi-process accounts of attitudes, impressions, and behaviors. (Oct 2018).
 Symposium at the annual meeting of the *Society for Experimental Social Psychology*, Seattle, WA (co-chaired with Melissa Ferguson).

Explicit effects on implicit attitudes: New perspectives on mechanisms of attitude formation and change (July 2017). Symposium at the annual meeting of the European Association for Social Psychology, in Granada, Spain.

Advances in the social neuroscience of prejudice: Neurobiological mechanisms of social perception and their roles in intergroup bias (March 2017). Symposium at the International Convention of Psychological Science, in Vienna, Austria.

Beneficial and Harmful Habits: Surprising Insights from Behavioral Automaticity. (October, 2016). Symposium held at the annual meeting of the *Society for Experimental Social Psychology*, Santa Monica, CA (co-chaired with Wendy Wood).

Learning from social rewards and punishments: How social contexts transform the dynamics of reinforcement learning. (May, 2015) Symposium held at the 25th annual meeting of the *Association for Psychological Science*, New York, NY. (Co-chaired with Leor Hackel)

Motivated perception of faces: Implications for intergroup bias in the brain and behavior (February, 2014). Symposium held at the 15th annual meeting of the *Society for Personality and Social Psychology*, Austin, TX.

Visual perception and intergroup bias: New approaches for probing the sociocognitive mechanisms of prejudice (September, 2013). Symposium held at the annual meeting of the *Society for Experimental Social Psychology*, Berkeley, CA (co-chaired with Kerry Kawakami).

Social vision: The effects of social factors on face processing (September, 2013). Symposium held at the 53rd annual meeting for the *Society for Psychophysiological Research*, New Orleans, LA.

The psychophysiology of social perception. (September, 2012). Symposium held at the 52nd annual meeting for the *Society for Psychophysiological Research*, New Orleans, LA.

The social brain: Influence of social factors on psychophysiological processes. (September, 2011). Symposium held at the 51st annual meeting for the *Society for Psychophysiological Research*, Boston, MA. (co-chaired with Bruce Bartholow)

Emotion regulation and self-control: Basic psychobiological mechanisms and applications to public health. (January, 2010). Symposium held at the 11th annual meeting of the *Society for Personality and Social Psychology*, Las Vegas, NV. (co-chaired with Paige McDonald)

Hormones as mechanisms of self-regulation: Steroid effects on motivated attention and behavior. (October, 2009). Symposium held at the 49th annual meeting for the *Society for Psychophysiological Research*, Berlin, Germany. (co-chaired with Karin Roelofs).

Self-Regulation of Intergroup Responses: Mechanisms of the Mind and Body. (February, 2008). Symposium held at the 9th annual meeting of the *Society for Personality and Social Psychology*, Albuquerque, NM.

Physiological mechanisms of self-regulation. (October, 2006). Symposium held at the 46th annual meeting for the *Society for Psychophysiological Research*, Vancouver, Canada.

Conference Presentations (selected recent)

Amodio, D. M., Schultner, D. T., & Lindström, B. R. (October, 2023). *Impression Formation Through Social Learning: Implications for the Formation and Spread of Prejudice*. Talk presented at the annual meeting of the *Society of Experimental Social Psychology* (SESP), Madison, WI.

Amodio, D. M. (October, 2022). Human Sources of Algorithmic Bias. Talk at the annual meeting of the *Person Memory Interest Group (PMIG)*, Bear Creek Mountain Resort, Macungie, PA.

Amodio, D.M., Berg, J. J., & Cui, Q. (February, 2022). *Human Sources of Racial Bias in Face Classification Algorithms*. Talk presented at the annual meeting of the *Society for Personality and Social Psychology* (SPSP), San Francisco, CA.

Amodio, D.M., Berg, J. J., & Cui, Q. (October, 2021). *Human Sources of Racial Bias in AI Face Classification Algorithms*. Talk presented at the annual meeting of the *Society of Experimental Social Psychology* (SESP), Santa Barbara, CA.

Amodio, D. M. (November, 2020). *Visual dehumanization of Blacks under economic stress: ERP and fMRI evidence and implications for biased behavior*. Talk presented at the annual meeting of the *Psychonomics Society*.

Amodio, D. M., Stillerman, B. S., Hackel, L. M., & Jostmann, Nils. B. (February, 2020). *Instrumental learning of prejudice without awareness: A computational reinforcement learning approach*. Talk presented at the annual meeting of the *Society for Personality and Social Psychology*, New Orleans, LA.

Amodio, D. M., & Hackel, L. M. (Oct, 2018). *Instrumental learning of attitudes and impressions: A multiple memory systems account*. Talk presented at the annual meeting of the *Society of Experimental Social Psychology* (SESP), Seattle, WA.

Amodio, D. M., Krosch, A. R., & Ratner, K. G. (January, 2017). *Implicit bias in visual perception: A nonconscious route to intergroup behavior*. Talk presented at the annual meeting of the *Society for Personality and Social Psychology*, San Antonio, TX.

Amodio, D. M., & Krosch, A. R. (March, 2017). *Perceptual dehumanization promotes racial discrimination under economic stress: Evidence from fMRI and ERP*. Talk at *International Conference for Psychological Science*, Vienna, Austria.

Amodio, D. M. (May, 2017). *Understanding social behaviour with clues from the brain*. Talk at the *Annual Meeting of the Association for Psychological Science*, Boston, MA.

Invited Talks and Workshops

- 2024 University of Edinburgh, Psychology Department Colloquium (Oct 9)
- University of Amsterdam, Social Psychology Brownbag (Oct 7)
- New York University, Social Perception Action & Motivation Lab (Sept 12)
- University of Amsterdam, Brain & Cognition Program (Feb 8)
- Ruhr University, Bochum, Germany; Keynote, Department of Psychology (May 13)
- 2023 University of Amsterdam, Politics Department (Apr 14)
- 2022 University of Amsterdam, Social Psychology Program (Apr 11)

- Rutgers University, Department of Psychology (Apr 23)
- Keynote, Dutch Society for Brain and Cognition (Apr 29)
- Canadian Court of Appeal Bench & Bar Equity Committee (May 30)
- 2021 Columbia University, Teachers College (Jan 19)
- Global Keynote, Society for Social Neuroscience (Feb 1)
- Weber State University, Department of Psychology (Feb 19)
- Keynote, Society for Psychophysiological Research (Oct 1)
- 2020 Princeton University, Department of Psychology (Feb 12)
- Columbia University, Teachers College (Feb 17)
- 2019 University of Kansas, Brehm Symposium, Department of Psychology (May 3)
- University of Amsterdam, Department of Psychology, KLI Workshop (Sept 12)
- University of Washington, Department of Psychology (Nov 6)
- 2018 Harvard University, Department of Psychology (Feb 13)
- 2017 Georgetown University, Interdisciplinary Program in Cognitive Science (Jan 17)
- University of Amsterdam, Department of Social Psychology (Feb 7)
- Utrecht University, Social Psychology Colloquium (Apr 13)
- University of Amsterdam, Brain & Cognition Colloquium (Apr 20)
- Free University, Amsterdam, Expert Workshop in Social Neuroscience (Oct 16-20)
- Tilburg University, Department of Psychology (Nov 10)
- Keynote, Association for Social Psychological Research (ASPO), Amsterdam, Dec 15
- 2016 University of Michigan, Cognitive Science Institute (April 7)
- University of Amsterdam, Department of Psychology (June 23)
- Aegina Summer School in Social Cognition, Aegina, Greece (June 25, 26)
- Cornell University, Department of Psychology (Oct 16)
- Temple University, Department of Psychology (Nov 28)
- 2015 Yale University, Department of Psychology (Jan 12)
- Aarhus University, Interacting Minds Center, Aarhus, Denmark (March 12)
- Aarhus University, Denmark (March 13)
- Lehigh University, Department of Psychology (April 2)
- Rutgers University-Newark, Department of Psychology (April 17)
- University of Rhode Island, Department of Psychology (April 27)
- Free University, Amsterdam, Expert Workshop in Social Neuroscience (Aug 31-Sept 4)
- 2014 Harvard University, Department of Psychology (March 11)
- Hunter College, Department of Psychology (March 30)
- Macalester College, Johnson Lecture (April 16)
- New York University, Department of Applied Psychology (April 23)
- Columbia University, Teachers College (May 5)
- University of Cambridge, Department of Psychology, Cambridge, UK (May 12)
- CUNY Graduate Center, Department of Psychology (October 22)
- 2013 University of Utah, Department of Psychology (February 6)
- University of Missouri, Department of Psychology (March 15)
- Swiss Center for Affective Sciences, Summer School Lecture, Geneva (July 12)
- SISSA Summer School in Social Cognitive Neuroscience, Trieste (July 15-17)
- University of California, Berkeley, Haas School of Business (October 22, 2013)
- University of California, Berkeley, Department of Psychology (October 23, 2013)
- Carnegie Mellon University, Department of Psychology (November 7, 2013)

- University of Pennsylvania, Neuroscience & Society Talk Series (November 21, 2013)
- 2012 Basic and Biobehavioral Research Branch, National Cancer Institute (February 16)
- University of Geneva, Workshop on Social Neuroscience (May 30-June 1)
- Swiss Center for Affective Sciences, University of Geneva (June 4)
- Kurt Lewin Institute Workshop on Social Neuroscience, Leiden University, NL (June 7-8)
- Columbia University, Department of Psychology (September 17)
- NeuroLeadership Summit, New York, NY (October 15)
- 2011 University of Western Ontario, Department of Psychology (April 29)
- University of Chicago, Booth School of Business (May 16)
- Workshop on Social Neuroscience, Belgian National Academy, Ghent (Nov 14-18)
- 2010 Princeton University, Department of Psychology (December 8)
- Columbia University, School of Social Work (November 3)
- University of Delaware, Department of Psychology (Department Colloquium; October 20)
- University of Delaware, Department of Psychology (Social Brownbag; October 20)
- University of Indiana, Department of Psychology (October 15)
- University College London, Institute for Cognitive Neuroscience (September 17)
- Cardiff University, Department of Psychology (September 16)
- University of Kent, Department of Psychology (September 15)
- University of Amsterdam, Department of Psychology (September 9)
- Dartmouth College, Department of Psychology (May 20)
- Biology of Social Cognition Workshop, Cold Spring Harbor Laboratory (July 15)
- 2009 Expert Workshop in Social Neuroscience, Free University, Amsterdam (January 19-23)
- New York University, Cognition & Perception Area, Psychology (February 26)
- Queens College, Department of Psychology (April 27)
- Expert Workshop in Social Neuroscience, Free University, Amsterdam (August 30-Sept 4)
- University of Würzburg, Clinical and Biological Psychology group (October 26)
- University of Würzburg, Social Psychology group (October 27)
- New York University, Center for Brain Imaging (November 6)
- Columbia University, Department of Psychology (November 9)
- University of Pittsburgh, Department of Psychology (November 20)
- Princeton University, Department of Psychology (December 1)
- Brooklyn College, SUNY, Department of Psychology (December 16)
- 2008 Diego Portales University of Santiago, Chile, Dept. of Psychology (November 12)
- Radboud University Nijmegen, Department of Psychology (October 10)
- New York University, Social Area, Department of Psychology (September 23)
- University of Konstanz, Department of Psychology (June 18)
- University of Zurich, Institute for Empirical Research in Economics (June 12)
- Cognitive Neuroscience Section, NINDS, NIH (May 12)
- NYU Center for Research on Culture, Development, and Education (April 23)
- Stanford University, Graduate School of Business, Marketing (April 9)
- University of Toronto, Department of Psychology (April 1)
- York University, Toronto, Department of Psychology (March 31)
- Northern Illinois University, Psychology Annual Colloquium (March 20)
- Texas A & M University, Faculty of neuroscience Seminar Series (February 28)
- Yale University, Department of Psychology (January 14)
- 2007 Columbia University, Department of Psychology (December 3)

- Harvard University, Department of Psychology (November 6)
- Expert Workshop in Social Neuroscience, Free University, Amsterdam (November 19-23)
- New York University, Department of Applied Psychology (October 31)
- The New School for Social Research, Department of Psychology (October 3)
- New York University, Cognition & Perception Student's Brownbag (April 13)
- Sackler Institute, Medical College of Cornell University (April 5, 2007)
- University of Connecticut, Department of Psychology (March 21, 2007)
- 2006 North Dakota State University, Psychology Department Colloquium (September 8)
- Columbia University Department of Psychology (February 28)
- 2005 University of Massachusetts at Amherst Department of Psychology, (November 4)
- New York University Department of Psychology (October 11)
- Princeton University, Department of Psychology (September 19)
- 2004 New York University, Department of Psychology (December 16)
- Penn State University, Department of Psychology (December 14)
- Ohio State University, Department of Psychology (December 9)
- University of Kansas, Department of Psychology (December 6)
- Rutgers University, Department of Psychology (December 2)
- University of Iowa, Department of Psychology (November 29)
- Northwestern University, Department of Psychology (November 18)
- University of Washington, Department of Psychology (November 15)
- University of California, Los Angeles, Human Brain Mapping Center (November 3)
- Free University, Amsterdam Department of Psychology (October 29)
- University of California, San Diego Department of Psychology (October 6)
- UCLA Cognitive Psychology Colloquium, Department of Psychology (April 13)
- UCLA Intergroup group, Department of Psychology (February 13)

University Service and Training

- Coordinator, Social Psychology Doctoral Program (2013-2016)
- Co-organizer, NYU Social Neuroscience Speaker Series (2005-2020)
- Chair, Space and Renovations Committee, Social Psychology Program (2012-2022)
- Chair, Social Psychology Search committee (2013-2014)
- Member, Social Psychology Search committee (2007-2008, 2008-2009)
- Chair, Social Sciences and Economics Coordinating Group, NYU Abu Dhabi (2009-2010)
- Social Psychology Program Admissions committee (2005-2006, 2006-2007)
- Proposal review committee, NYU Center for Brain Imaging (2009-2010)
- Education Policy Committee (2007-2008)
- Personnel Committee (2008-2009, 2009-2010, 2014-2015)

Student Awards and Honors

- 2020 SSHRC Graduate Fellowship (pre-doc), to Ava Ma de Sousa
- 2019 NSF Graduate Research Fellowship (pre-doc), to Celia Guillard
- 2017 NSF Graduate Research Fellowship, to Leland Jasperse
- 2017 NSF Graduate Research Fellowship, honorable mention, to Jeffrey Berg
- 2017 SANS Travel Award, to Benjamin Stillerman

2015	SPSP Graduate Student Research Travel Award, to Anne Hill
2014	SPSP Student Publication Award, to Kyle Ratner and May Ling Halim
2014	Poster Award, Social Cognition Preconference at SPSP, to Amy Krosch
2014	NYU Dean's Dissertation Fellowship, to Amy Krosch
2013	NSF Graduate Research Fellowship to Jenny DePierre
2012	SPSP Graduate Student Research Award, to Amy Kroch
2012	Stuart Cook Award, New York University, to Kyle Ratner
2012	Douglass Fryer Dissertation Award, New York University, to Kyle Ratner
2011	NSF Graduate Research Fellowship, to Amy Krosch
2011	NYU Dean's Dissertation Fellowship, to Kyle Ratner
2011	NYU Dean's Dissertation Fellowship, to May Ling Halim
2011	SPSP Diversity Fund Award, to Amy Krosch
2010	Training Award Fellowship, <i>Society of Psychophysiological Research</i> , to Kyle Ratner
2010	Stewart Cook Award for Research Excellence, NYU, to Saaid Mendoza
2010	Douglass Fryer Dissertation Award, New York University, to Saaid Mendoza
2010	Katzell Research Award, New York University, to Kyle Ratner
2010	NSF Graduate Research Fellowship, honorable mention, to Amy Krosch
2010	SPSP Poster Award, Runner-up, for Kyle Ratner
2009	SPSP Diversity Fund Award, to May Ling Halim
2008	NSF Graduate Research Fellowship to Jennifer Brooke
2008	NSF Graduate Research Fellowship to Kyle Ratner
2006	NSF Graduate Research Fellowship, honorable mention, to Polina Potanina

Ph.D. Thesis Committees

Iris Traast (chair/promoter), David Schultner (chair/promoter), Michael Berkebile (co-chair), Jeffrey Berg (chair), Benjamin Stillerman (chair), Alexa Hubbard (reader), Ryan Stoller (core committee), Judith Suttrup (reader), Leor Hackel (co-chair), Amy Krosch (chair), Kyle Ratner (chair), May Ling Halim (co-chair), Renana Ofan (chair), Saaid Mendoza (chair), Gaëlle Pierre (co-chair), Kentaru Fujita (reader), Jojanneke van der Toorn (reader), Jenny Yi Xiao (core committee), Elizabeth Przybylinski (core committee), Sean Lane (reader), Christopher Burke (reader), Aaron Hoffman (reader), Amie Green (reader), Adil Saribay (reader)

Teaching

At New York University

Undergraduate courses

Introduction to Psychology

Introduction to Social Psychology

Psychological Science & Society

Social Neuroscience undergraduate seminar

Prejudice and Stereotyping undergraduate seminar

PhD-level courses

Prejudice and Stereotyping doctoral seminar

Social Neuroscience doctoral seminar

The Psychology of Self-Control

At the University of Amsterdam

Social Neuroscience Research Masters seminar

Prejudice & Stereotyping Research Masters seminar

Attitudes & Behavior Change undergraduate lecture
